Kick off the WNPS Year - Come to the Chapter Picnic
Wednesday, September 14, 2016

This year's chapter activity will begin on Wednesday, September 14, with a joint Tacoma and Olympia meeting at Powderworks Park in Dupont. The official start time is 6 pm but, if you want to come early and enjoy the park and meet members of the chapter, we have the picnic pavilion reserved from 5 pm.

Powderworks Park in DuPont was selected because it is a central location between Olympia and Tacoma. We have a covered picnic shelter and a large Garry Oak preservation area to explore. For this meeting only, we will start at 6 pm. We will cook hamburgers again (and a vegetarian alternative), and have interesting condiments, chips, paper plates and eating utensils. Bring something to share and your drinks (no alcohol allowed). There will be a grill for any who want to use it. Hear about this year's activities and programs. We will have door prizes to give away.

Directions to Powderworks Park: South from Tacoma or North from Olympia on 1-5, take Center Drive (Exit 118) into DuPont. Keep right at the fork for Center Street. Precede about 0.9 mile. Turn left on Bob's Hollow Lane. The park is on the left at about 0.2 miles. Watch for our
Signs.
